Only those students returning the order form with payment will have their picture taken.

**Wednesday, April 4**  
EARLY RELEASE DAY  
Students will be dismissed  
at 1:55 PM

Did you know that Mountain View Elementary is the largest elementary school in the Kenai Peninsula Borough School District? We are a growing family!

Over the past two weeks, we have welcomed ten new students with open arms. As Kenai's "Neighborhood School," we are an open enrollment school and accept all students in our attendance area which is why we are continuously enrolling. While our enrollment is increasing, the high quality of instruction that students receive is solid. We have a large, diverse staff, with numerous programs to meet the needs of all students. Each student and staff member is unique and brings a different perspective with them.

Our school community relies on the celebration of diversity and power of collaboration in an amazing place where kindness counts! We are looking forward to the addition of another grade level position next year, as well as an additional portable classroom that will arrive this summer. Looking forward to next year's additions is a reminder of how fast this school year is flying by! With that being said, the amount of increasing daylight is definitely recognized as well. This week, a student excitedly said, "Look! Now you can actually see the kids outside at morning recess because it's so light!" This daylight supports an opportunity to match the sounds of laughter with the smiling faces that are seen!

We truly look forward to opening our doors each morning with that mirrored smile when close to five-hundred students meet our eyes. With the familiar words that are heard each morning, "We are so glad that you're here!"

Kenai Peninsula Borough School District

# CONGRATULATIONS!
