One School One Book Succeeds in Making Reading a Family Affair

We have been amazed at the family participation in our One School One Book activity. The goal of One School One Book is to generate excitement school-wide about a specific book and have that excitement translate into families reading the book together at home. If participation in our Facebook trivia questions is any indication, we have achieved our goal!

Close to 90 of our school's families have participated by commenting to, or answering our Trivia questions. Over 20 families are consistently answering questions daily. All Facebook participants will be entered into prize drawings to be held at our Stuart Little family movie night on April 23rd. Go to Mountain View's Facebook page and join the fun.

Speaking of our Facebook page, be sure to scroll through the posts and check it often to see the variety of community members who come to our school to round out our students' educational experiences. The more caring adults and varying educational opportunities we can put in front of our students the more meaningful and connected their education becomes.

NEWS FROM THE NURSE

From Nurse Debbie

A couple of reminders as we approach the end of our school year. Wow has it gone by FAST!!!

***If your child kept any medications at school, they will need to be picked up by the last day of school...May 22nd. The medications cannot be sent home with your child. They must be picked up and signed for by an adult. Any medications not picked up by May 22nd will be discarded. I really hate to toss them, I know how expensive they are to replace.

***You will be receiving paperwork in the mail for medication/inhaler use for next year. I wanted you to have them available for the start of school in August.

APPLICATIONS AVAILABLE FOR THE 2019-2020 PRE-K PROGRAM AT MOUNTAIN VIEW

Applications are available at the office at Mountain View Elementary.

In order to be considered, a child must be 4 years old by September 1, 2019, live in the Mountain View attendance area, and have a completed application returned to Mountain View Elementary.

For more information, please call 283-8600.
