Karl Kircher, Principal

Jenna Fabian, Assistant Principal

Dear Parents and Guardians

Recently the Alaska Department of Education & Early Development (DEED) released the 2018-2019 Report Cards to the Public for each school district and school in Alaska. This user-friendly website aims to provide families with clear, common information about all public schools and districts in our State. These report cards to the public contain data and information about academics, school environment, teacher quality, and more.

To view a 2018-2019 school or district report card to the public, go to education.alaska.gov/reportcardtothepublic. Once there, you will be able to select which school or district report card to the public you wish to view. If you are unable to access the report cards to the public online, please contact us here at Mountain View.

We know that the report card to the public is just one of many ways you will engage with us at Mountain View Elementary. We look forward to sharing our school's successes with you, and working together to make our school better every day.

In particular, we are proud that at Mountain View Elementary the report card to the public shows our students performing academically above the district and state averages in math. This was a result of long-range school development plan focusing on math instruction. This year our school development plan has shifted to Language Arts and we hope to achieve the same success over time.

We hope you will closely follow your student's academic progress and work with his or her teacher(s) to help ensure academic success. Working together as a team, we can improve not only how well our students are performing individually, but how our school and district is performing as a whole. We look forward to partnering with you.

A reminder that on February 26th we will have a parent night to introduce you to the MindUP social emotional curriculum we are implementing this year Mountain View and provide ways you use the MindUP practices at home.

Sincerely,

Karl Kircher
Principal
